What you need to know about counseling creatives

10:30 - 11:30 AM

Speaker: Dave Ratner, Creative Law Network
1 CLE Credit Hour

Creative people and businesses need your services! Artists, creative professionals, and creative organizations encounter issues related to business, employment, real estate, tax, trusts and estates, immigration, and lots more. This session will help you and your law practice counsel and support Colorado's vibrant arts sector. We will cover the nuances of counseling creatives and catering to the creative industries.
