

# Procedures for Visiting Museums under Covid-19

*We are confident that we can safely open if we share the responsibility to keep everyone safe!*

## Stay at home.

If you are sick, have been in contact with someone who is sick, or are recovering

*Postpone your visit. We'd love to see you when you are fully recovered.*

## Wash your hands.

Practice good hand hygiene by washing your hands with soap and water or using alcohol or hand sanitizer.

## Look online for ticketing procedures!

Many institutions are releasing timed tickets and making tickets available ahead of time. Check websites before you visit!

## We are limiting visitor numbers

Please be patient. We will not be operating at full capacity and you may need to wait.

*Smaller numbers of visitors will help you see the exhibits better!*

## Wear a mask.

We are asking that all visitors and staff wear a mask.

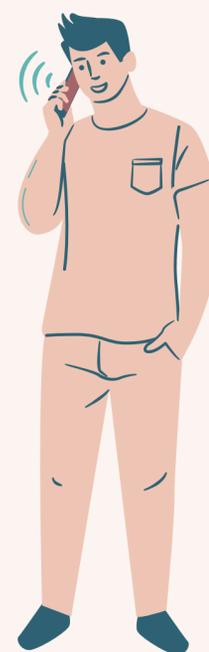

## Practice social distancing.

When you visit, please maintain at least 6 feet distance from others.

## Call ahead if you have any questions or concerns

We are working hard to adapt to these times. If you have any questions or concerns, please reach out. We are excited to have you at our museums!
